WINTER USE GUIDELINES

PARK HOURS

The park is open daily from 7 a.m. to 10 p.m. for use year-round. Visitor Center is open seven days a week, 8 a.m. to 5 p.m.

WINTER TRAIL USE

Follow trail etiquette and check conditions on social media or by calling the park directly. Snowmobiles are not allowed in the park.

FIREWOOD

To help prevent the spread of invasive species, we ask that visitors do not bring or use out-of-state firewood. Collecting firewood in the park is prohibited. Purchase firewood at the Visitor Center.

PETS ON LEASHES

Pets are welcome on packed and non-groomed trails but must stay on a leash. Please clean up after your pet.

EMERGENCY INFO

In an emergency dial 911.

VISITOR TIPS

- Two electric campsites are plowed for winter use. Water tanks can be filled at the park shop upon request. Garbage can be placed in the dumpster located in the shop yard.
- Please follow speed limits. Keep an eye out for wild animals and respect their habitat by remaining a safe distance.
- Visitors are prohibited from collecting and removing any natural items or artifacts from the park.
- **Camping:** check-in is at 4 p.m., check-out is at 3 p.m.
- **Overnight facility rentals:** check-in 4 p.m., check-out noon

WINTER ACTIVITIES

- Fort Stevenson has winter use trails for all skill levels. Rent equipment from the park office. For availability, reservations or inquires about large group rentals, call 701-337-5576.
- Details about winter special events, including luminary hikes and geocaching adventures can be found online.
- Bring your binoculars and look for bohemian waxwing, great horned owls, and red breasted nuthatch which are common to this area in the winter.

TRAIL ETIQUETTE

- **SNOWSHOE**
Do not walk on the trail if you are leaving footprints deeper than one inch. Stay to the side of the groomed ski tracks
- **TRACKED SKI**
Best suited for traditional cross-country skiers. Do not use the trail if you leave tracks deeper than one inch. Do not use snowshoes on tracked trails. Pets are not allowed on tracked trails.
- **KICKSLED**
Best suited for bare ice or packed snow.
- **FAT TIRE BIKE**
If you are leaving a rut, lower your tire pressure (3-6 psi is recommended). Do not ride the trail if your tire pressure is greater than 10 psi or if you are:
 - Leaving a rut deeper than one inch
 - Having a hard time staying on the trail
 - Riding on tires narrower than 3.7"
