

100% Campsite Reservations

Frequently Asked Questions

100% reservations are now offered at all North Dakota State Park campgrounds

1. Why are 100% reservations offered at these state parks?

- a. A major benefit to you as the customer is the ability to plan your trip in advance with the assurance of a guaranteed campsite.
- b. By offering 100% reservations, all customers have an equal opportunity to rent a campsite; those traveling a long distance to the park as well as those living nearby.
- c. At most parks, occupancy is in high demand and reservations allow staff to better manage the campgrounds.
- d. Advance reservations eliminate entrance bottlenecks and unnecessary traffic on already congested campground roads.

2. How do I reserve a campsite?

- a. Online: Go to www.parkrec.nd.gov 24 hours/day. Reservation fees apply.
- b. Telephone: Call toll-free 800-807-4723, 7am-7pm (Central Time) daily. Reservation fees apply.
- c. Same Day Reservation: Call the park directly from 9am to 9pm daily.
Suggested timeframe, understanding some parks go outside these hours.
 - Reservation fees apply for telephone bookings at the park.
 - Reservation fees do not apply for walk-in registrations at the park.
 - After the reservation window has closed, customers are allowed to book same day arrival nights directly at the park for either the current or the next night.
- d. Horse Parks:
Reservations for horse campsites with corrals at Fort Abraham Lincoln and Fort Ransom state parks must be made by contacting the parks directly. Reservation fees apply.
 - Fort Abraham Lincoln State Park, 701-667-6340.....Feb.16 to Labor Day
 - Fort Ransom State Park, 701-973-4331.....Feb.16 to Sept. 25Reservations for regular campsites or horse campsites with corrals at Little Missouri and Sully Creek state parks must be made by contacting the parks directly. Reservation fees apply.
 - Little Missouri State Park, 701-764-5256.....Feb. 16 to Oct. 31
 - Sully Creek State Park, 701-623-2024.....Feb. 16 to Nov. 30
- e. First come first serve campsites. If a campsite is not reserved after the reservation window has closed, it becomes available as a first-come first-serve (FCFS) campsite. (See same day reservation process under 2c.)
- f. Payment in full is required to confirm all reservations.

3. When can I reserve a campsite?

- a. Campsites may be reserved up to 95-days in advance of arrival either online or through the call center.
- b. Campsites may be reserved for a maximum 14 nights in any 30-day period.
- c. Campsite reservations for the current night and/or the next night may be made directly at the park after the reservation window has closed.

5. How do customers know if a campsite is available?

- a. Customers will now have access to see all park campsites online;
- b. They can call the park directly; or
- c. While in the park, verify available campsites with park staff

d. Customers with reservations are permitted to arrive at any time during their reservation. This may result in some sites remaining empty for a period of time. The park is obligated to hold a reserved site until a cancellation is made. Thank you for your understanding when you see unoccupied reserved campsites.

6. Are customers allowed to move to another site to extend their stay beyond the one available night?

a. Yes, if the current site is not available for an additional night, customers may move to another available site by booking it through park staff from 9am to 9pm each day.

7. Am I required to pay a reservation fee upon arrival at the park to occupy an available campsite?

a. Customers are NOT required to pay a reservation fee when they arrive at the park to rent an unoccupied site. Only telephone reservations require a fee.

8. Are customers charged a fee if they move from one campsite to another while at the park?

a. No, park staff will simply change the campsite number in the reservation system.

9. What is the reservation fee?

a. A non-refundable fee assessed for each reservation.
