Applicants sought for Artist in Residency program

The North Dakota Parks and Recreation Department in cooperation with the North Dakota Council on the Arts is again offering the “Artist In Residency” program and is seeking qualified applicants to participate.

The Artist in Residency program involves three artists, each at a different state park. The week-long events take place between July 5 and Aug. 30. Applications are available online at www.parkrec.nd.gov or by contacting Turtle River State Park’s Tina Harding at 701-594-4445 or tmharding@nd.gov. Applications are due June 24, and should be mailed to: Artist In Residency Program, North Dakota Parks and Recreation Dept., Turtle River State Park, 3084 Park Ave., Arvilla, ND 58214.

Parks participating in the program are Fort Ransom State Park, Fort Stevenson State Park, and Beaver Lake State Park. Participating artists can either choose a campsite with electrical service or a cabin during their stay. Those accepted into the program need to provide personal gear, food and supplies. The program will provide the artist with materials and supplies needed to provide presentations.

A committee will review applications and materials submitted. Selections will be made on the basis of merit and how a candidate can advance the mission of North Dakota State Parks as well as enhance the growth of the artist’s work.
