Cross Ranch State Park Winter Festival February 16

Hensler, ND—Join the park staff on Saturday, February 16, from 1 to 6 p.m., for the Cross Ranch State Park Winter Festival.

Ski or snowshoe during daylight, stop and admire the beauty of a Missouri River sunset as you trek along during twilight, or, for the truly adventurous, whisk through the dark guided only by the dim light of candles. To entice your spirit of adventure the park will be offering other exciting activities, such as horse drawn sled/wagon rides around the park. Hot beverages and snacks will be available free of charge, courtesy of the Friends of Cross Ranch State Park.

Please bring your own skis or snowshoes; however, the park will have several additional pairs of each available for public use. The festival will take place regardless of snow conditions. Snow conditions are fair to good at this time.

This event is free and open to the public. A North Dakota State Parks annual or daily vehicle entrance sticker will be required. For more information, call Cross Ranch State Park at (701) 794-3731 or email edlang@nd.gov.
