## **OHV courses being scheduled**

**North Dakota Park and Recreation Dept. offers instruction**

The North Dakota Parks and Recreation Department is offering several Off-Highway Vehicle (OHV) safety certification classes during the next month.

The goal of these classes is to educate youth (ages 12-16) in the proper operational methods. Individuals in this age bracket are required by North Dakota law to have an OHV safety certificate in order to operate an OHV on public land if they do not possess a valid driver's license or learners permit.

The cost of the class is \$20 per student and the classes are approximately 4 hours in length. Scheduled classes are:

Friday, March 20	South Prairie High School- Minot	5 to 9 pm
Saturday, March 28	Westhope Public School	3 to 7 pm
Sunday, March 29	Kenmare High School	1 to 5 pm
Friday, April 3	Hazelton Public School	5:30 to 9:30 pm
Saturday, April 4	Ashley High School	10 am to 2 pm

Topics covered in the ATV/OHV safety certification classes include state law regarding the use of OHVs, safety gear used when operating an OHV, basic parts and maintenance of OHVs, along with safe and appropriate operation of OHVs.
