When signing up for Web Grants:

An external user will need to have an ND Login to access WebGrants. Notes with links to ND Login assistance are on the Announcements section of the login page. This is page one of this document.

1. User will set up a new ND Login account IF they do not already have one. (Many have ND Login accounts for Game & Fish, Parks, or other State applications.)
2. User will need to verify both email and phone number on the ND Login account when it’s created.
3. User will log into WebGrants and register their account. The user will receive the email below. Parks Admins will need to approve the user within WebGrants.

Important: Make sure that you pick the Recreational Trails Program funding opportunity!

The sign in screen will look like this.

You MUST follow the steps below PRIOR to logging into WebGrants!

WebGrants will not allow access until AFTER you have:

1. Log into the NDLogin app to confirm account exists or to unlock your existing account: NDLogin Link

2. If a successful login, set the recovery phone number and request a verification text to activate the account (The security phone number is not required when setting up an ND Login account, but if not populated you can’t log in to WebGrants).

3. Once completed, you should enter your NDLogin login credentials to log into WebGrants

If you already have a North Dakota login that works with other ND apps, you do not need to create a new account!

If you do not have an existing NDLogin you MUST set one up prior to logging in to request access to WebGrants.

WebGrants uses a NDLogin authenticator and your account will be locked if you try to request WebGrants access before you have an approved NDLogin.
