MUST SEE & DO

- Grab a trail guide from Trader's Bay Visitor Center and explore the Prairie Nature Trail, a self-guided hike with interpretive stations. The nature trail crosses an old prairie track dating back from early settlement. Old muddy ruts from the wagon wheels can still be seen today.
- Rent a stand-up paddleboard, canoe, or kayak and explore Lake Sakakawea. Rentals are available at Trader's Bay Visitor Center, located near the marina.
- Lewis & Clark State Park is located on Lake Sakakawea's western edge, the third-largest human-made lake in the United States. Grab a fishing rod and try your luck at the world-class fishing this lake is known for.

MORE TO EXPLORE

- Lewis & Clark State Park hosts events all year round, including Safe Day - Safe Play, Halloween in June, and Family Fun Weekend. Come for the day or make it a weekend by camping or renting a cabin.
- Journey along the South Trail System and experience scenic views of the Badlands and Lake Sakakawea. These views are similar to what Lewis & Clark would have seen when they traveled through the area in 1805.
- The Visitor Center is open 9 a.m. to 8 p.m. Monday through Sunday during the summer season and 9 a.m. to 5 p.m. during the winter months. Ice, firewood, tackle, clothing, souvenirs, and snacks, as well as restrooms, are available.
