MUST SEE & DO

• Grab a trail guide from Trader’s Bay Visitor Center and explore the Prairie Nature Trail, a self-guided hike with interpretive stations. The nature trail crosses an old prairie track dating back from early settlement. Old muddy ruts from the wagon wheels can still be seen today.

• Rent a stand-up paddleboard, canoe, or kayak and explore Lake Sakakawea. Rentals are available at Trader’s Bay Visitor Center, located near the marina.

• Lewis & Clark State Park is located on Lake Sakakawea’s western edge, the third-largest human-made lake in the United States. Grab a fishing rod and try your luck at the world-class fishing this lake is known for.

• When the ice reaches a safe thickness, the park clears the marina for an ice skating rink. Grab your skates and head out to the park for an afternoon of fun!

• Ice fishing is a popular winter activity. Anglers can find many species, including northern pike, sauger, walleye, and smallmouth bass.

• The park has over four miles of trails open for snowshoeing. Rent a pair from the park or bring your own and enjoy the beautiful trails.
