CAMP ACTIVITY DESCRIPTIONS

BEGINNING ARCHERY

Whether you want to explore archery for the very first time or have minimal experience shooting a bow, the best way to get started is with the fundamentals. Even archers who have been shooting a few years can benefit by going back to the basics. The techniques presented in this class can be used for a lifetime of archery enjoyment or can serve as a solid foundation to build upon with more advanced instruction. All equipment will be provided, but if you have your own bows bring them along as they can be used during the second half of the class where we will shoot 3-D targets in realistic hunting situations.

CANOEING BASICS

We'll explore how to make sure life jackets fit, which paddles to use, how to safely get in/out of a canoe and paddle strokes. Afterwards, we'll get out on the water to enjoy the sights and sounds of School Section Lake, a lake within the Lake Metigoshe State Park boundary. There are no motorized boats allowed on School Section, proving a great place to paddle, explore the outdoors and soak up the sun's rays.

ORIENTEERING/GEOCACHING

We'll be practicing basic compass and map reading skills and putting some of our new skills to use. Once comfortable with a compass, we'll move on to how to operate a GPS unit. You'll practice your newfound GPS skills in a high-tech treasure hunt!

Drop-off/Pick-up

Participants should be dropped off each morning at Lake Metigoshe State Park's main office. Each day will end with 30 minutes of supervised free time at the beach, which is where participants need to be picked up. For your child's safety, please provide your name to park staff upon pickup at the beach so we can ensure the correct individual is picking up each participant. As a courtesy to both participants and LMSP staff, please be on time for drop-off and pick-up times. Should an issue arise, please contact the park at 701-263-4651 to get a message to staff and/or participants.

State Park Entrance Fees

All motor vehicles entering any North Dakota State Park are required to subject to entrance fees. Daily entrance fees are \$7/vehicle; an annual permit is available for \$35, is valid through April 30, 2020 and waives entrance fees into all of the North Dakota State Parks.

Safety

All LMSP employees, to include both permanent and seasonal employees, must pass a background check upon acceptance of employment. Participants will be supervised during all activities and breaks. Participants will not be allowed to leave at any time during camp unless prior arrangements have been made with staff.

Messages

If you need to get a message to your child(ren) and/or staff during camp, please call the main office for Lake Metigoshe State Park 701-263-4651. A courtesy phone call would be appreciated if, for whatever reason, your child is registered, but no longer able to attend camp.

What to Bring

For participants' safety, experience and comfort level all should bring a backpack with several items to include, but not be limited to, a refillable water bottle, sunscreen, bug spray, hat/ball cap, sunglasses, extra change of clothes, swimsuit and beach towel.

Snacks/Lunch

Lunch, a snack and drinking water will be provided each day. Contact aschimetz@nd.gov for any dietary and/or allergy concerns.

Beach Time

Our staff members are not certified lifeguards, but will supervise children at the beach and swimming area. Please indicate on registration form if your child can swim independently so we are aware of all participants' skills. Should you not be comfortable with your child(ren) spending time at the swimming beach in your absence, you may join us at the beach at 3:30pm or simply pick up your child(ren) at 3:15pm. We'll assume all participants will be picked up at the beach unless we are otherwise notified. Should the weather not cooperate for beach time, participants can be picked up in the main office at the scheduled time.

Primary and Secondary Contacts

Primary contacts must be able to pick up participant(s) within 30 minutes should a situation arise (illness, injury or disciplinary issue). Secondary contact person will be contacted should primary contact not be available. It is highly recommended that the secondary contact be within the area as well.

Disciplinary Actions

Park staff reserves the right to remove any participant(s) should disciplinary issues become a problem. In this case, the primary contact for that participant will be called and immediate arrangements will be made for that camper to get picked up. The participant will forfeit the rest of their time at camp; a refund will not be made available.

Cancellation Policy

Refunds will be not be available. Any participants that are ill or simply do not show will waive registration fees-no exceptions. If, for whatever reason, the camp is cancelled, full refunds will be available.
